The following tips and activity ideas are in addition to the learning materials and instructions that accompany the product. We hope you enjoy playing this game.

Tips for Use

- Place the braille color stickers on the spinner and add a design of your choice to mark which color you have spun. I used the racing flag.
- The directions suggest using 3 spaces for green 2 spaces for yellow and 1 for red. This can be modified example: for a faster game green can be 5 yellow 4 red 3.
- You can stop spinner by placing your hand on the top or wait till it stops.
