

APH Featured Products Explore the World: Tactile Globe, Puzzle, and Maps

Interactive U.S. Map with Talking Tactile Pen

A fun way to explore the United States without having to go anywhere! A foldable tactile and large print map is fully interactive when using the accompanying talking pen. With each tap the user learns not only the state name and capital, but also other geographic and fun facts about the state.

Item Description: Interactive U.S. Map with Talking Tactile Pen

U.S. Puzzle Map

Easily identify each state with the bright, contrasting color scheme of this interactive puzzle. Take out all of the pieces and recreate the United States one piece at a time or take out individual states to see and/or feel the shape. Tactile features include mountain ranges, state capitals, and rivers.
