APH offers several products that will help individuals with visual impairment and other disabilities stay active, keep healthy, and get in shape!

30-Love Tennis Kit
This kit comes with 2 full size, lightweight rackets and 6 sound-adapted tennis balls that are safe for indoor use. Players can practice dynamic balance, sound localization, fine and gross motor skills while playing with others or bouncing a sponge-like ball against a wall. The kit comes with a Guidebook full of ideas for adapted play and skill development.
