Web Chase
Tips and Activity Ideas

The American Printing House for the Blind (APH) Web Chase game is an originally designed game that is intended to develop important tactile skills within a fun, recreational context.

APH: https://www.aph.org/
Catalog #: 1-08460-00

The following tips and activity ideas are in addition to the learning materials and instructions that accompany the product. We hope these ideas will be helpful as you learn about the Web Chase game.

Tips for Use

• Web Chase foldable game board, 22 1/2" x 22 1/2" in size, can be played with up to 4 players.
• 24 hours prior to use 54 Velcro dots must be applied to each of the white circles on the game board and on each lunch tray.
• The instructions for initial game set up and directions for the game are very easy to follow.
• Options to use shape/picture prey or 4 different tactile circles.
