### New England Eye Southeastern Massachusetts

NEE SEMA welcomes individuals served by the Massachusetts Department of Developmental Services.

**The clinic is open every Wednesday from 9am to 5pm and on the 2nd Monday of each month from 9am to 12:30pm.**

### Specialized Eye Care

- Eye examinations at NEE Southeastern MA are provided to determine a person's eye health, to better understand how each person uses his or her vision, and to maximize visual function.
- Each appointment is scheduled for one hour, allowing time for the exam, and to ensure all questions are answered.
- As a teaching clinic Christine Sacco, OD and an optometry intern will work together to provide the eye exam.
- Before leaving, any needed paperwork will be filled out. A full eye report will be written and mailed to each person at home

### About Christine Sacco, OD

Dr. Sacco received her optometry degree from the New England College of Optometry and completed a residency at the VA Medical Center in Brockton, MA, and currently serves as an attending optometrist at New England Eye. Dr. Sacco has experience in providing eye care to diverse populations, including with a multidisciplinary group caring for people in long term and assisted care facilities. Dr. Sacco has a special interest in providing optometric services to individuals with cognitive and/or physical impairments.
